# DIRECTORS' NOTE

"The seaweed is always greener in somebody else's lake!" It's just a natural thing to want to experience a different world sometimes, isn't it? Our three different casts are giving their wonderfully unique spin on these colorful characters! We know you'll enjoy coming under the sea with us for a while, with hearts yearning and turning, as we witness Ariel trying to navigate her world and beyond.

dee-Lightfully yours,  
**Dolores & Allegra**

**Dolores Aguanno**

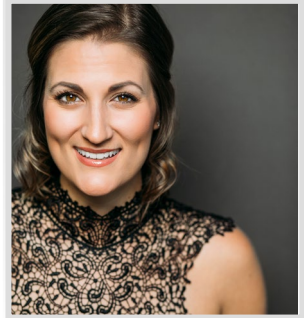

PRODUCER, DIRECTOR

Dolores Aguanno, PhD, produced and directed her first dee-Lightful Production in 1999 (now at over 100 productions since then!) It is her absolute joy to create the space for kids to develop their creative passion for theatre through dee-Lightful's workshops and summer camps. She is super proud of all the young adults who have come through dee-Lightful as campers and are now taking on incredible leadership roles in our company... Specifically, her own daughter, for example... Allegra Williams-Stirrat, director and choreographer for the Jrs. show... our assistant

directors, Hope Sato and Kacey Oschack~ also taking on so many other responsibilities this year, Timmy Francuz~ first time staffer this summer, Hazel Cupp... heading up our Arts n' Crafts, teaching vocals to the Kids group... Charlotte Hamill and Sara Herscovitz~ first time interns, and our dee-Lightful veterans Carly Shiever~ coming in to teach some vocals and Louis Chavez~ teaching a master dance class. When not at dee-Lightful, Dolores can be found practicing yoga, maybe traveling and definitely preparing to teach some other fun stuff! Stay tuned!

---

Allegra Williams-Stirrat is a Culver City native and seasoned performer, director, choreographer and teaching artist, with her BA in Musical Theatre. When Allegra was a child, her mother, Dolores Aguanno, founded dee-Lightful Productions. Over the past 23 years, Allegra has had the privilege of growing up fully immersed in the program. From her early years as a young performer, she has since grown to contribute to dee-Lightful as a Director, Choreographer and Producer. Allegra is also now Dolores' right hand in co-facilitating the operations of the organization.

**Allegra Williams-Stirrat**

DIRECTOR, CHOREOGRAPHER,  
ASSISTANT PRODUCER

Simultaneously, Allegra works in the school system as a substitute teacher as well as a teaching artist, bringing dee-Lightful Productions to one of the local private schools in Culver City. She believes that especially through the art of theatre, children gain a true understanding of what it means to be accepted in a family-like community where they can express themselves in a safe and supportive atmosphere. This instills confidence to carry with them in the world, whatever they choose to pursue, as well as the opportunity to experience different perspectives through the art of living in someone else's shoes. Allegra is grateful to have such a safe place to share her knowledge and create with these young artists and she feels fortunate to learn so much from them in return!

# KIDS STAFF

**Kacey Oschack**

Hazel has done multiple shows with dee-lightful as a camper including *Into the Woods (Cinderella)*, *Beauty and the Beast (Belle)*, and *The Little Mermaid (Ariel)*. This show is specifically special for her because it was the last show she was in as a camper. Enjoy the show!
